Class Placement Policies:

- All Students are welcome to register in any of our classes provided they meet the minimum grade requirement for the school season and meet all prerequisites unless approved by our faculty.

- Students must be recommended by VPA faculty for any Intermediate or Advanced levels.
- Students who wish to study pointe at VPA must have at least three years of consistent ballet training (including summer) and a VPA Recommendation.
- All intermediate through advanced Jazz or Contemporary Students are required to take Ballet.
- Students may be accepted into programs after the season begins (provided the class is not full) but may be required by Instructor to purchase private make-up lessons in order to catch up to the class.
- If for any reason a Student has been leveled inappropriately for a class, he or she will be recommended for and required to transfer into an alternate class.
- If any student feels he/she has been inappropriately placed, please notify our staff.
- At the Instructor's discretion, Students who choose not to perform at the end of the season may be recommended an alternate class or private lessons in order to continue training after Winter Break.
- Should a scheduling conflict arise after the registration is processed, we will do our best to place the Student in an alternate class provided it is not full and that it meets the age/level requirements. Please call the studio as soon as such a conflict arises.
