Class Placement Policies:

- All students are welcome to register in any of our classes provided they meet the minimum grade requirement for the school season and meet all prerequisites, unless otherwise approved by our faculty.
- Returning students should have received a recommendation from our faculty. If any new student wishes to be recommended for a class, he or she should contact us to set an appointment with our faculty to be evaluated.
- Students may be accepted into programs after the season has begun (provided the class is not full) but may be required by the instructor to purchase private make-up lessons in order to catch up to the class.
- If for any reason a student has been leveled inappropriately for a class, he or she will be recommended for and required to transfer into an alternate class.
- If a student feels he/she has been inappropriately placed, please notify our staff at the earliest convenience.
- At the instructor's discretion, students who choose not to perform at the end of the season may be recommended for an alternate class or private lessons in order to continue training after Winter Break.
- Should a scheduling conflict arise after the registration is processed, we will do our best to place the student in an alternate class provided it is not full and that it meets the grade/level requirements. Please call the studio as soon as such a conflict arises.
